

Amalgamation FAQs

October 31, 2018

1. Why amalgamate?

With the ever-changing landscape of soccer Clubs are working together through affiliation and amalgamation to strengthen the foundation of their programs and ensure that the product provided to members is valuable to their development and affordable.

2. Why now? Timing? Mid-fiscal?

With the evolution of soccer that has started to impact not for profit clubs we believe that the time is right to unite.

3. How does this impact our teams?

This amalgamation will have minimal impact on teams and will not affect any programming.

4. What are the benefits? Brams? BYSC? BESC?

The benefits of moving to a unified club are tremendous. By combining our expertise, resources, and assets members will have superior programming and athletes will have a greater range of opportunities.

5. When will the amalgamation come into effect? How will it be rolled out?

The amalgamation will come into effect for Outdoor 2019.

6. What happens to the staff? Operations? Tech?

There are no changes to our staff at this time.

7. How will the financials be managed?

Financials will be managed the same however all monies and assets will be pooled together under new club.

8. Where will the clubhouse be located?

Location is still TBD however we looking to secure a central location in Brampton

Amalgamation FAQs

October 31, 2018

9. Do we have to reregister?

An individual already registered for Outdoor 2019 will not have to reregister. Registration details will be transferred to new club. New registrations will be provide a new portal to register directly with the new club.

10. How many members will the new club expect to have?

We estimate the new club to have 3000 members

11. What happens to age groups that have “A” teams in both BYSC and BESC?

Team placements for 2019 are not yet available however we don’t anticipant many issues and impact will be minimal.

12. What will the new Club be named?

FC Brampton

13. What is the impact to the individual clubs relationship to OS and PHSA?

We have the full support of Ontario Soccer and the Peel Halton Soccer Association

14. How does this affect OPDL?

This will strengthen our position in the OPDL and we are fully supported by Ontario Soccer

15. How will this impact the female and male stream? Clubs up to this point only had to manage one or the other?

By combining our technical staff both the female and male stream will have access to more support.

16. The programs of each club are being run separately, how will the programs be integrated?

Technical staff from all 3 clubs will work together. As one club we will be able to combine the expertise of each club and offer a cohesive soccer vision

One Club, One Vision – together we stand strong!
