Subject: COVID-19 Letter to Members

Dear Members,

On behalf of the Board, Staff and Volunteers at Brams United Girls Soccer Club, we hope that all members and your loved ones are safe and well. During these unprecedented times Brams United understands the importance of staying connected as a community. We are committed to offering continuous online and virtual opportunities for participants to connect with their teammates, hear from guest speakers and the opportunity to stay active from the safety of their home. We encourage all members to continue checking our [Brams At-Home Program](#) for updated activities, resources and much more.

Currently, the Club is continuing to monitor the situation closely and preparing various scenarios and programs that align with health officials and government standards once we return to play. We appreciate that some participants may not feel comfortable returning this season and will submit their [Refund Request](#). Please note that due to office closures, we are unable to process refund requests at this time. We are tracking these requests and once the return to play is announced and we safely return to the office we will follow-up accordingly.

Once notice of return to play is announced by the governing bodies, Brams United will be taking a phased approach to ensure the safety of all participants. All program updates and options will be communicated clearly to the membership as well as the return to play strategies and guidelines.

Brams United would like to also extend our appreciation to our Sponsors and Partners for all their support in growing programs for the community of Brampton. We encourage all members to take a moment to visit our website for a full list of our [Sponsors and Partners](#), and ways you can show your support and gratitude for their commitment.

For more updates and information please visit [Ontario Soccer](#) and our FAQs document. During office closures, please send your communication via e-mail and we will be sure to reply in a timely manner. We thank all members for your patience and continued support. We hope to see everyone back on the field safely in the near future.

Sincerely,

Melanie Bradley, General Manager
