VIRTUAL PROGRAM POLICY

The purpose of the Brams United Soccer Club Virtual Policies is to ensure a safe and positive environment during all Club sanctioned online practices, webinars and events by providing expectations and guidelines.

It is expected that all members (Coaches, Team Officials, Participants, Parents and Staff) follow these policies and provide an environment which all individuals are treated with respect and equality.

1.

We ask that all participants (coaches, players, parents) are all dressed appropriately, in Brams United attire when possible.

2.

The Rule of Two Policy must always be in effect throughout any online/virtual team events, practices or webinars.

3.

The Code of Conduct must be followed throughout any online/virtual team events, practices or webinars. This includes but is not limited to no offensive, inappropriate or distracting behaviour and/or language.

4.

All coaches, players and parents are still expected to behave in a respectful way that is in line with our Club values.

5.

Remember that anything that is on your screen is visible to everyone. We recommend that players, parents and coaches use the mute or disable video where and when they deem appropriate.

6.

All virtual engagement and participation are optional.

7.

There will be no filming or photography during these sessions for the privacy of those involved.
